## WINE LIST

*The following list represents our collection of wines from France, Italy, Spain, Northwest United States, Australia and elsewhere around the world.*

*It is our goal to offer an environment where all can learn about wine, no matter where they are at in their wine journey while making memories that last forever. We are a family owned and operated business and we choose to build our menu with smaller, family run wine producers that mirror our love for family and the products we serve.*

*If you need any assistance choosing a bottle, please ask to speak with our Sommelier, whose primary job is to exhaustively know the wines we feature.*
