

Hidden Creek Estates

BEVERAGE LIST

A note from the family

We are so glad to have you here. As a family-owned restaurant and event venue, this place holds a special meaning to us. In 2020, the land next to our home came up for sale, and it was destined to become another neighborhood. Our love for the nature, wildlife, and beauty that surrounds us led us to purchase the property instead, keeping it intact for future generations to enjoy.

That same year, our daughter Kim and her husband Jared celebrated their wedding on this land. Their special day inspired us to share the magic of this property with others by opening it as a venue and restaurant, where our passions for food, wine, and hospitality could come to life.

Spanning 77 acres, Hidden Creek Estates offers a little something for everyone—whether it's hiking our five miles of trails, staying in one of our cozy lodges, or just soaking in the peaceful surroundings of our century-old oak trees, apple orchard, and bee farm. This land has a rich history and a natural beauty we cherish, and we hope you'll feel that same sense of wonder during your time here.

Our goal is to ensure that every guest feels welcomed and leaves with lasting memories, whether you're here for a meal or a special event. Thank you for joining us—we're honored to share our home with you.

*Warmly,
Kerry, Dude, Kim, & Jared*
